

REMARKS

This amendment has been submitted in order to amend the claims to comply with the requirements of US Patent Practice.

Original method claims 1 through 5 have been canceled and replaced by new method claims 9 through 13. The new method claims have been written as a series of positive steps as required according to US Patent Practice. Antecedent basis for the method claims 9 through 13 may be found in the specification on pages 1 through 7 and in the drawings, especially Figure 1.

Respectfully submitted,  
The Firm of Karl F. Ross P.C.
